MINIMALIST  
SERIES

## Material Description

ÿ Larch Wood Frame

ÿ Fabric Upholstery

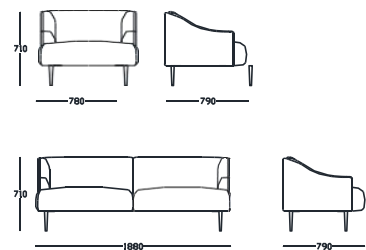

ÿ Sinomax Foam

ÿ Steel Leg with Powder Coated

# BABER<sub>SA302</sub>

Baber consists of two single sofas and a three-seat sofa. Its ergonomics and unique visual brightness accentuate the extremely simple design lines, giving a visually pleasing look, and the combination of fabric makes it look elegant and approachable.

# ELVIS<sub>SA306</sub>

MINIMALIST SERIES

**ELVIS**<sub>SA306</sub>

Elvis has a familiar appearance, but with amazing details like the elegant lines, the feet naturally connected with the seating frame, the charming "dimple" at the side and the beautiful back, quite delicately.

**Material Description**

- ÿ Larch Wood Frame
- ÿ PU Leather
- ÿ Sinomax Foam
- ÿ Chrome Leg

God is a girl  
wherever you are  
do you believe it  
can you receive it  
and it is a girl  
whatever you say  
do you believe it  
can you receive it

# HARDEN SA507

"Come into my arms," Harden seems to say. It stands there and attracts us. When sitting down, you'll feel safe, due to Harden's spacious seat, and its soft curved seat cushion and high back at an same angle that allows the spine to enter the perfect upright position.

## Material Description

- ÿ Larch Wood Frame
- ÿ PU & Fabric
- ÿ Sinomax Foam
- ÿ Nylon Feet

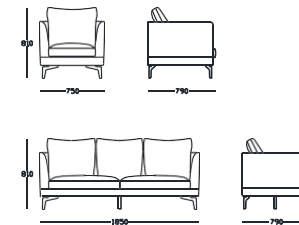

## ALFRED<sub>SA111</sub>

Alfred is a wise adviser and clever helper. With the combination of comfort and sophistication, its modern design shows modernity and elegance. There is no doubt that the indoor focus is the clear and neat lines of the armrests, backrests and metal feet, and it is perfectly matched with the soft cushions.

### Material Description

ÿ Larch Wood Frame

ÿ PU Leather

ÿ Sinomax Foam

ÿ Chrome Leg

# TERRENCE SA802

Terrence is a comfortable product originating from the search for delicateness and balance. The combination of large independent seat, backrest and cushion shows its high-level seating comfort. It is also very suitable for "relaxation and comfort" and let people forget "courtesy".

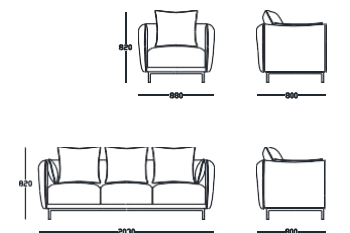

## Material Description

ÿ Metal Frame

ÿ PU & Fabric

ÿ Sinomax Foam

ÿ Steel Leg with Powder Coated

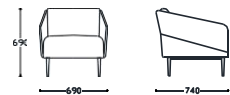

### Material Description

ÿ PU & Fabric

ÿ Sinomax Foam

ÿ Nylon Feet

## CANDY<sub>SA312</sub>

Candy is a very light and exquisite product. It is full of modern minimalist lines, decorated with the intense color, and more suitable for the aesthetics of the younger generation.

# HYMAN SA125

Hyman, a symbol of life, consists of a series of products, three-seat high back sofa, single sofa and three-seat low back sofa. It can not only create semi-private space, but also meet the common reception and negotiation function, so it is multi-purpose. The styling features of the Hyman sofa are also very clear. The plump lines draw the sofa shape, and also bring high-level seating comfort.

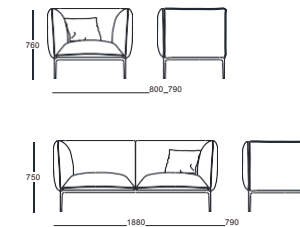

## Material Description

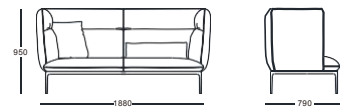

• Larch Wood Frame

• PU & Fabric

• Sinomax Foam

• Steel Leg with Powder Coated

EXEQUISITE  
SERIES

## CARL<sub>SA108</sub>

Carl looks like a polite gentleman, smartly and calmly. People can comfortably lean against the curved sofa back to relieve tiredness as it accords with human body engineering. The product has many features such as high leather color fastness, color uniform, neat and straight stitches. Sofa chair is smooth without any wrinkles, just like a gentleman, relaxed and lasting.

### Material Description

• Metal Frame

• PU Leather

• Sinomax Foam

• Steel Leg with Powder Coated

# GRIFFIN SA308

Good design furniture adds something extra to the interior, but better to do it in a low-key way. They convey a warm feeling in the space, just as they are always around you.

Griffin is a beautiful and comfortable sofa. The design that the sofa armrest extends to the back gives Griffin a low-key but elegant look

## Material Description

- ÿ Larch Wood Frame
- ÿ PU Leather
- ÿ Sinomax Foam
- ÿ Steel Leg with Powder Coated

## ABLITT<sub>SA301</sub>

Ablitt is filled with polyurethane foam of different densities and is made of solid wood frame. The sofa leg is made of steel plate with laser cutting and bending. Black powder coated is used on the surface of sofa leg. Design elements with a modern and retro feel bring a different matching experience.

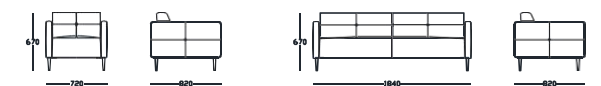

### Material Description

ÿ Larch Wood Frame

ÿ PU Leather

ÿ Sinomax Foam

ÿ Steel Leg with Powder Coated

## JARVIS<sub>SA311</sub>

Jarvis is a series of products inspired by a design element that includes a standard three-seat sofa and a casual sofa with four-star base. This kind of collection can better meet the needs of the current young group. And Jarvis's full soft back gives people a feeling of being embraced, bringing a perfect sitting experience.

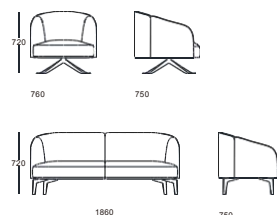

### Material Description

ÿ Larch Wood Frame

ÿ PU & Fabric

ÿ Sinomax Foam

ÿ Steel Leg with Powder Coated

## Dean SA305

Dean is a group of sofas with individual design and extremely light weight, thanks to the luxurious soft bag sewing process, which makes this series products have usual seating comfort without affecting its elegance and luxury. The frame is completely wrapped in leather, only revealing chrome leg. The seat cushions are made of polyurethane foam of different densities.

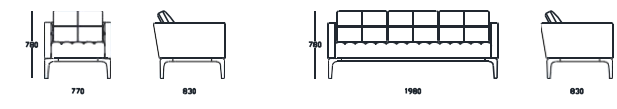

### Material Description

• Larch Wood Frame

• PU Leather

• Sinomax Foam

• Chrome Leg

## LOREN SA106

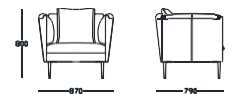

Loren is made of both exquisite micro-fiber and fabric. And it is in the creative combination of design and fashion, which makes people feel pleased and happy. One highlight of this sofa is the underhanging armrest. The natural folds at the armrest are not easily deformed, which is used high-density doll cotton so people can sit more comfortably.

### Material Description

• Micro-fiber Leather

• Metal Frame

• Steel Leg with Powder Coated

## CHARLES SA105

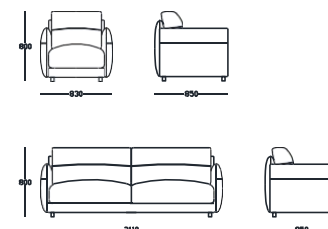

Charles looks light and graceful like a gentle man. It reflects the natural values of modern homes with boldness and investigate spirit, and has simple and smooth sofa feet that firmly supports the entire sofa to give you the gentlest protection. The use of different materials emphasizes the functional use of each part and caters to contemporary design styles.

One highlight of this sofa is the underhanging armrest. The natural folds at the armrest are not easily deformed, which is used high-density doll cotton so people can sit more comfortably.

### Material Description

- ÿ Larch Wood Frame
- ÿ PU & Fabric
- ÿ Sinomax Foam
- ÿ Nylon Feet

# WARREN<sub>SA801</sub>

Warren is like a defender, surrounded by soft leather, with innovation, unique shape, mellow color matching. The outside dark brown color looks calm, making people feel mature and stable, subtle and elegant. With the cool beige fabric, it breaks the sense of unity and dullness of space, creates a high-quality living environment and reflects a positive attitude towards life. The high-quality leather and the touch-comfortable fabric make the warmth and calmness coexist and sublimate on a sofa.

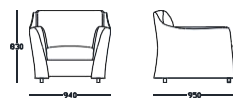

## Material Description

ÿ Metal Frame

ÿ PU Leather

ÿ Sinomax Foam

ÿ Nylon Feet

BIG BOSS  
SERIES

## DUMAS<sub>SA107</sub>

Dumas without any fancy designs makes people feel stoic. The colorful world outside is dazzling, but a simple and natural furniture can adjust your fidgety mood. Tough and simple lines are like a guardian, revealing solemnity and majesty. With its wide armrest, this sofa is just like its name, beautifully, yet solemnly.

### Material Description

- ÿ Larch Wood Frame
- ÿ PU Leather
- ÿ Sinomax Foam
- ÿ Steel Leg with Powder Coated

## STELLA SA506

Stella is as dazzling as a star, with a simple style, but requires superb production and stitching. Chair feet are cut by a computer-controlled laser cutter, and then precisely bent and spliced.

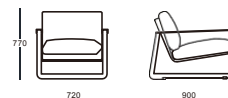

### Material Description

ÿ Larch Wood Frame

ÿ PU Leather

ÿ Sinomax Foam

ÿ Steel Leg with Powder Coated

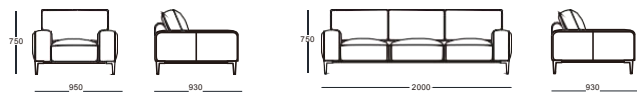

## FERDINAND<sup>SA110</sup>

The unique curling process and neat needle and thread without floating line work reflect the delicacy of high-end furniture, giving people a mature and stable feeling, implicit and solemn without losing elegant charm.

### Material Description

- ÿ Larch Wood Frame
- ÿ PU Leather
- ÿ Sinomax Foam
- ÿ Steel Leg with Powder Coated

# ANTHONY<sub>SA109</sub>

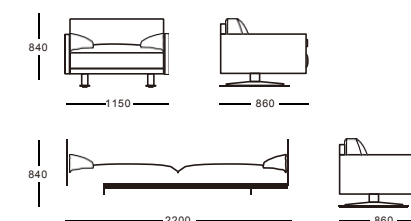

Anthony is very clever, and the neat lines give a strong and tenacious feeling. The simplicity of the plain highlights the extraordinary quality, allowing the nervous mood to relax in a harmonious and natural space. The tough lines and precise proportional structure give a balanced aesthetic. Eliminate the flamboyant decoration and reveal the texture of the leather, and match with natural textiles to present a rough and unrestrained natural beauty.

## Material Description

- ÿ Larch Wood Frame
- ÿ Micro-fiber Leather
- ÿ Sinomax Foam
- ÿ Steel Leg with Powder Coated

## WESLEY SA502

Wesley is inspired by the typical design ratio of the 1950s, but with the obviously light and flowing modern style. The craftsmanship reflects the natural values of modern home furniture. The matte black hardware frame firmly supports the product, catering to the contemporary design and the bottom design makes the sofa look lighter.

### Material Description

- ÿ Larch Wood Frame
- ÿ PU Leather
- ÿ Steel Leg with Powder Coated

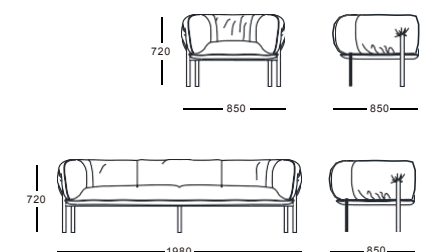

# JODIE<sub>SA120</sub>

Jodie looks like a quite and pure girl with soft hair. It adheres to the core value of the sofa, the delicate design and absolute comfort, with which people can relax and treat themselves. Jodie has the deep and soft seat, not only remaining simple line design but also providing extreme comfort.

## Material Description

- ÿ Larch Wood Frame
- ÿ PU Leather
- ÿ Sinomax Foam
- ÿ Steel Leg with Powder Coated

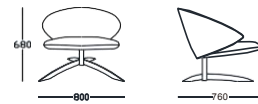

SERVICE COUNTER

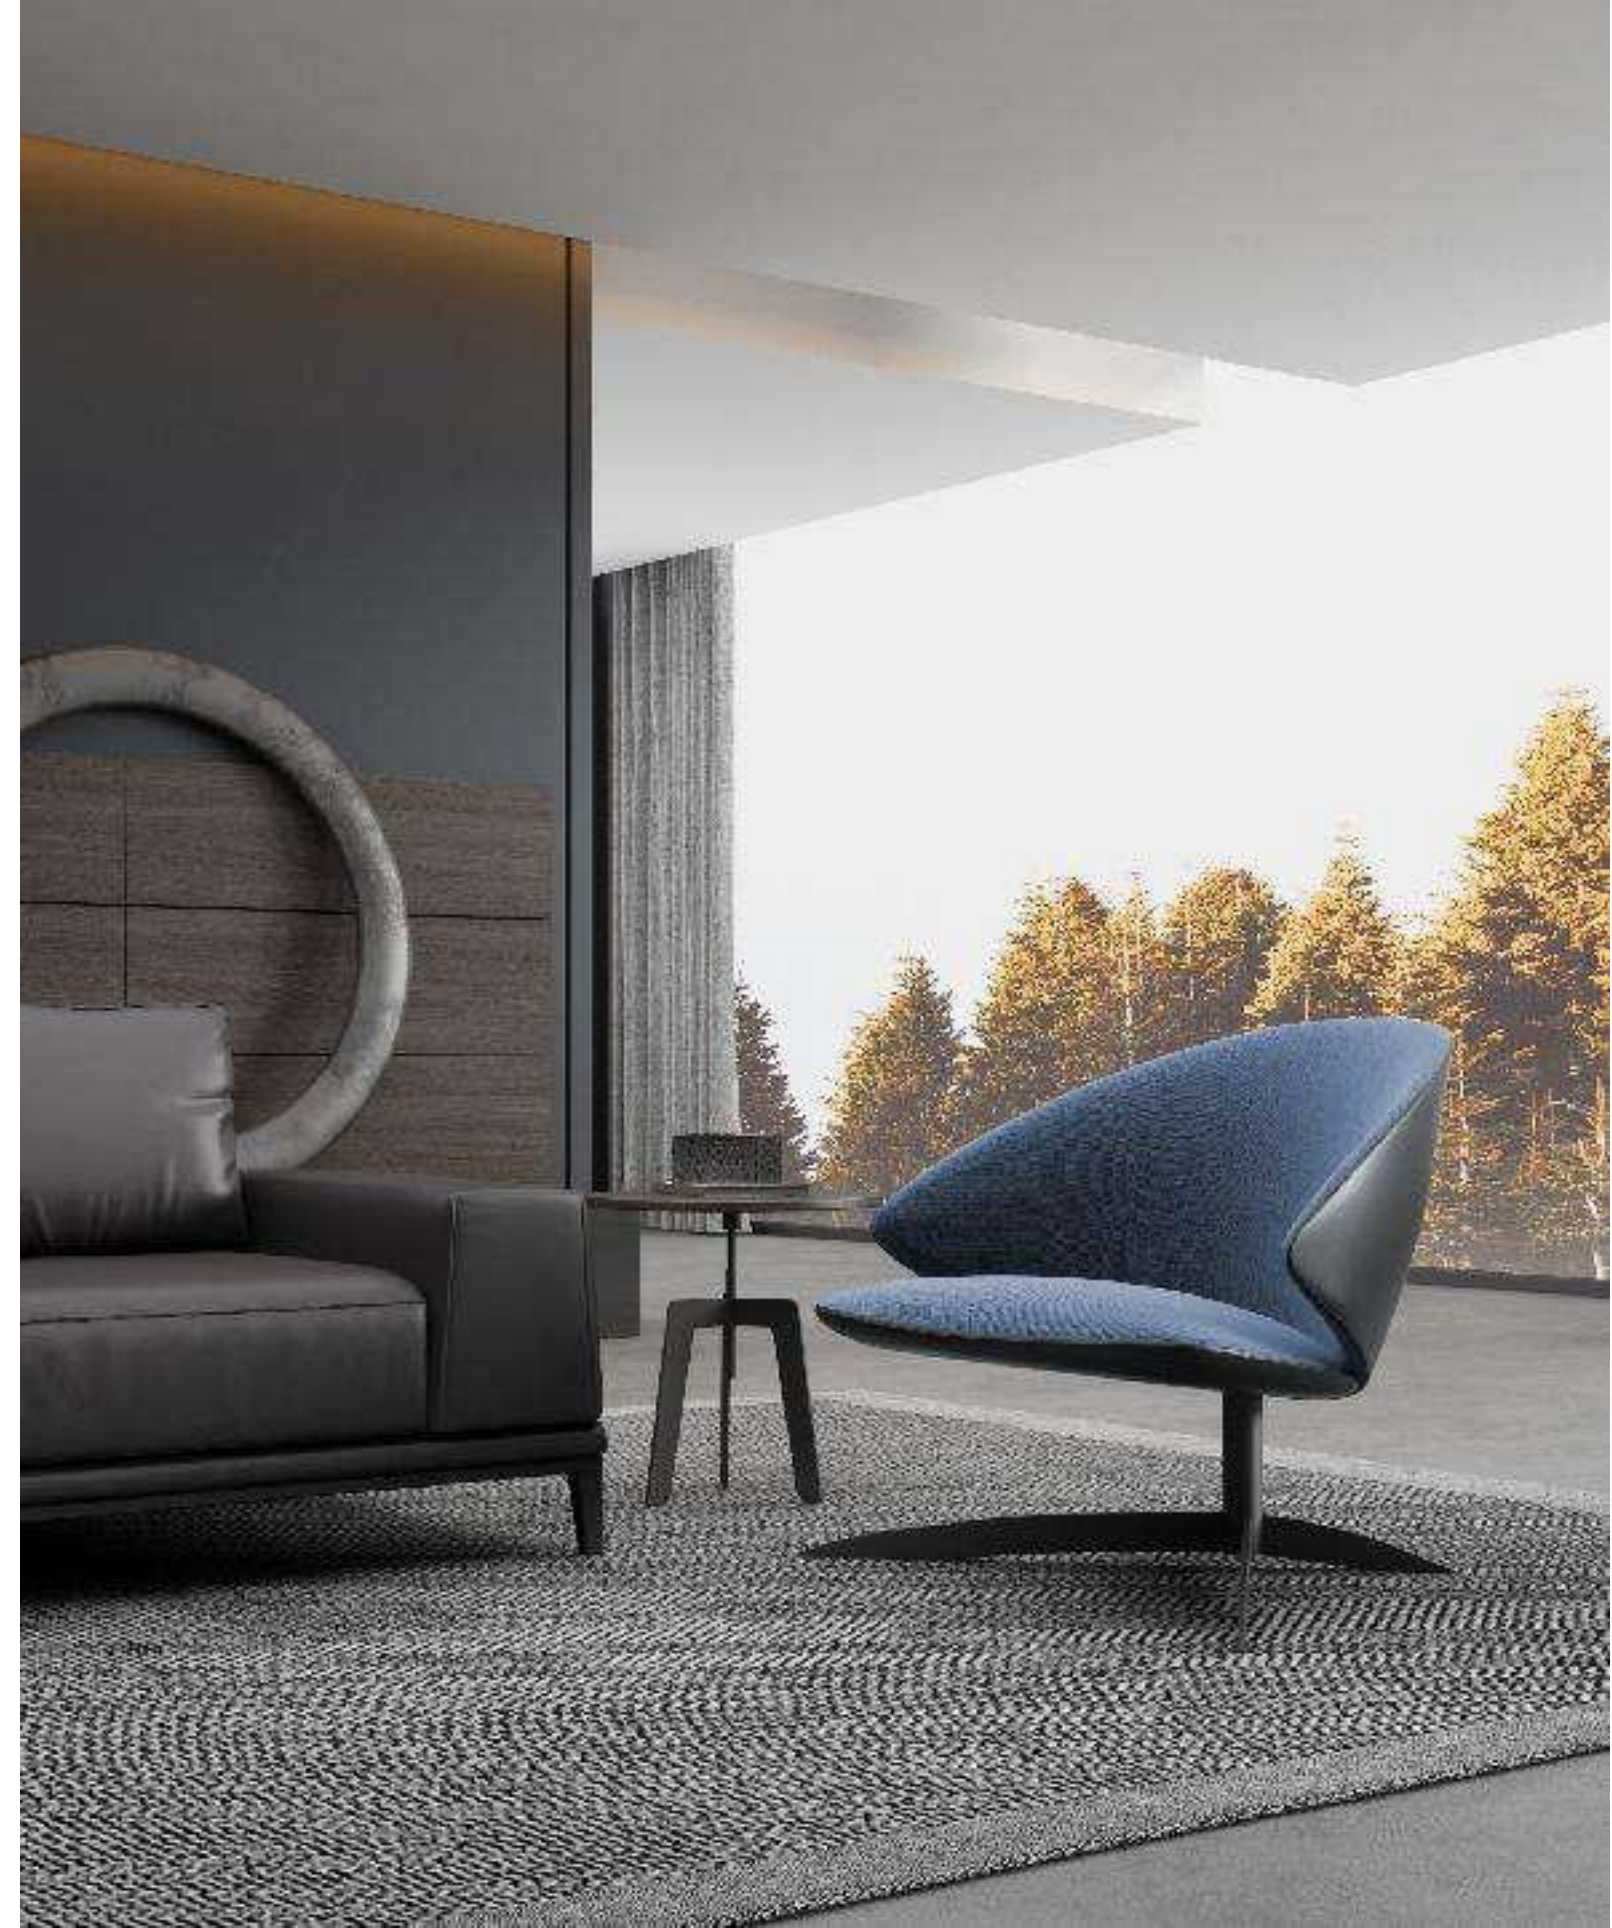

## RALAP<sub>SA508</sub>

Ralap represents the new comfortable and soft armchair. The integrate design of armrest and back creates a visually pleasing. The metal base supports and reinforces the entire product, and the unique ergonomic dimensions makes the seating comfort reach a new level.

### Material Description

- ÿ Larch Wood Frame
- ÿ PU & Fabric
- ÿ Sinomax Foam
- ÿ Steel Leg with Powder Coated

**MODULAR  
SERIES**

## BUNNY SA303

Bunny means colorful, friendly and amiable. It has a simple shape and a rounded outline. Look cute but have strong functions. In public areas it displays unusually powerful functions that it can be freely combined into a linear shape, or a corner or a peninsula shape. It can also be matched with normal style to meet the needs of negotiation and reception.

### Material Description

- ÿ Larch Wood Frame
- ÿ Fabric Upholstery
- ÿ Sinomax Foam
- ÿ Steel Leg with Powder Coated

## AHAB<sub>SA503</sub>

Ahab is a series of modular sofas. It can satisfy and enrich the needs of office reception.

Sofa color is also very distinctive. The large area of gray fabric plus yellow backrest, elegantly and dynamically. Side stool with lively colors brighten the public area.

## EMMA SA505

Emma with flexible modular design can be used for small group meeting or for individual private space.

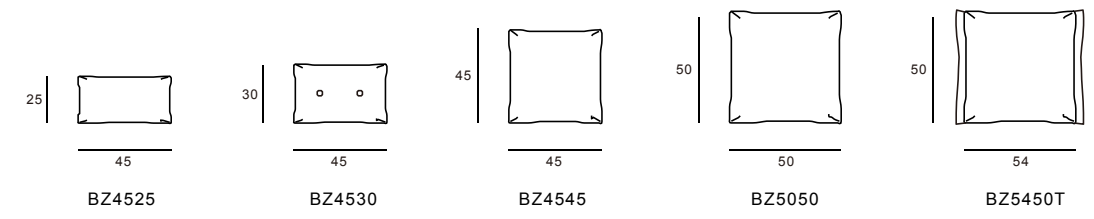

The components are simply combined with a variety of configurations, making them become one of the most versatile casual furniture system. It can be connected and unlocked easily and safely, so you can assemble all the shape you like quickly.

### Material Description

- ÿ Larch Wood Frame
- ÿ Fabric Upholstery
- ÿ Sinomax Foam
- ÿ Steel Leg with Powder Coated
